2026 FULL LINE CATALOG

WWW.WOLFERIDGEMFG.COM

Where do you find high quality, professional firewood equipment that is built-to-order, just for you?

Wolfe Ridge produces custom made, built-to-order log splitters, firewood conveyors, skid steer attachments and much more! We take pride in our work and love providing our customers with the best product experience possible! With our nationwide dealer network, it is now easier than ever to join the Wolfe Ridge Family!

Products built by Wolfe Ridge can be customized with the options that you need for your firewood processing operation. We go the extra mile to know that your new log splitter will look great and have a long trouble free life. We utilize high quality components like Honda GX series gas engines and Kubota diesel engines, Prince hydraulics, Eclipse Powder Coating, and high strength U.S. Steel to ensure that your new machine will last for decades.

Check out our full line-up of solutions for your firewood processing needs. Whether you are a large scale commercial producer that needs to produce 2 full cord per hour or a home owner that would like to spend more time enjoying life, our firewood equipment can help!

We do have discounts for Active Military, Veterans, and First Responders as a thank you for serving our great country! Be sure to ask about this when ordering!

We have added several new products to this catalog for 2026 that we are very excited about! Thanks so much to all of you who gave Wolfe Ridge a chance and allowed us to continue this pursuit! The #WolfeRidgeFamily continues to grow, and we couldn't do it without YOU!

~ Chris Wolfe

Infeed Conveyor Hopper IC-16

- Powered by your existing splitter's log lift hydraulic circuit
- Heavy duty zinc-plated bolt on paddles
- Heavy duty dual roller chain configuration
- 500cc hydraulic motor with included flow control
- **Standard configuration**
 - Adjustable height legs with pivoting feet
- **Wheeled configuration**
 - Front and rear axles in place of legs
 - Four wheels and tires with pivoting front axle
 - Haywagon style drawbar with up and down pivot action
 - 2 inch hitch coupler
- ** LEGS ARE NOT INCLUDED WITH THE WHEELED CONFIGURATION *
- **Standard color options: RED, ORANGE, GRAY, or BLUE**

IC-16 Conveyor - 16' length - Stationary version	\$9,495
IC-16 Conveyor - 16' length - Wheeled version	\$10,995
Flat face quick coupler kit - 6 fittings included	\$300
Slide-on Staging Table - Fits MOST Wolfe Ridge horizontals	\$239
Overflow Side Wall kit - ONE SIDE	\$900
Custom powdercoat color	\$250

RS Log Splitter

17 RS | 22 RS

- **17 RS** = 9HP Honda GX270 | 16 GPM 2 stage pump
- **22 RS** = 13HP Honda GX390 | 22 GPM 2 stage pump
- Prince hydraulic valves with auto-cycle OR ambidextrous log-lift
- 24 inch stroke with **6 second cycle time**
- In-house fabricated / welded beam with **AR400 main wedge**
- Bolt-on wedge height adjustment with **4-way wedge included**
- **Ambidextrous** removable **multi-position log cradle**
- Removable drawbar assembly with 2" ball hitch coupler
- Local road towable - 45MPH max
- **Standard color options: RED, ORANGE, GRAY, or BLUE**
 - Custom color shown in photo = **BRIGHT WHITE**
- *All RS machines have the sorting table powdercoated black*

17 RS-ACV - 17 ton, auto-cycle, 6 second cycle time	\$6,495
17 RS-LL - 17 ton, 450# log lift, 6 second cycle time	\$6,495
22 RS-ACV - 22 ton, auto-cycle, 6 second cycle time	\$7,295
22 RS-LL - 22 ton, 450# log lift, 6 second cycle time	\$7,295

Custom powdercoat color*	\$250
6-way bolt-on wedge (softwood / straight grain only)	\$500
Sorting table extension	\$300
Wedge holder	\$84.95

* = These options shown on machine in photo

XS Log Splitter

17 XS

NEW

- 17 XS = 13HP Honda GX390 | 22 GPM 2 stage pump
- Prince hydraulic valves with auto-cycle OR ambidextrous log-lift
- 24 inch stroke with **4.5 second cycle time**
- In-house fabricated / welded beam with AR400 main wedge
- Bolt-on wedge height adjustment with **4-way wedge included**
- **Ambidextrous** removable **multi-position log cradle**
- Removable drawbar assembly with 2" ball hitch coupler
- Local road towable - 45MPH max
- **Standard color options: RED, ORANGE, GRAY, or BLUE**
- ***All XS machines have the sorting table powdercoated black***

17 XS-ACV - 17 ton, auto-cycle, 6 second cycle time	\$7,295
17 XS-LL - 17 ton, 450# log lift, 6 second cycle time	\$7,295
Custom powdercoat color	\$250
6-way bolt-on wedge (softwood / straight grain only)	\$500
Sorting table extension	\$300
Wedge holder	\$84.95

Professional Log Splitter

28 Pro

- 9 hp Honda GX270
 - 16 GPM 2 stage Concentric hydraulic pump
 - Prince hydraulic valves
 - 24 inch stroke with **10.5 second cycle time**
 - In-house fabricated / welded beam with **AR400 main wedge**
 - Hydraulic wedge height adjustment with **4-way wedge included**
 - **Ambidextrous** hydraulic log lift with **450# lift capacity**
 - **Ambidextrous** removable **multi-position log cradle**
 - Removable drawbar assembly with 2" ball hitch coupler
 - Local road towable - 45MPH max
 - **Standard color options: RED, ORANGE, GRAY, or BLUE**
- *All 28 Pro machines have the sorting table powdercoated black***

28 Pro - 28 ton, 24" stroke, 10.5 second cycle time	\$7,895
Custom powdercoat color	\$250
Electric start	\$350
Prince auto-cycle valve	\$750
6-way hydraulic wedge	\$500
Sorting table extension	\$300
Wedge holder	\$84.95

Professional Log Splitter

28 Pro-X

- 9 hp Honda GX270 with 12 volt electric start
 - 16 GPM 2 stage Concentric hydraulic pump
 - Prince hydraulic valves with **auto-cycle included**
 - 24 inch stroke with **8.5 second cycle time**
 - In-house fabricated / welded beam with **AR400 main wedge**
 - Magnum big bore splitting cylinder with tall push block
 - Hydraulic wedge height adjustment with **4-way wedge included**
 - **Ambidextrous** hydraulic log lift with **450# lift capacity**
 - **Ambidextrous** removable **multi-position log cradle**
 - Removable drawbar assembly with 2" ball hitch coupler
 - Local road towable - 45MPH max
 - **BLACK only** - ***No other color options available for the 28 Pro-X***
- *All 28 Pro-X machines have the sorting table powdercoated black***

28 Pro-X - 28 ton, 24" stroke, 8 second cycle time

\$9,495

6-way hydraulic wedge

\$500

Sorting table extension

\$300

Wedge holder

\$84.95

Compact Commercial Log Splitter

28C | 35C

- 13 hp Honda GX390 with 12 volt electric start
- 22 GPM 2 stage Concentric hydraulic pump
- Prince hydraulic valves with **auto-cycle included**
- 24 inch stroke - **30" and 36" stroke optional**
- In-house fabricated / welded beam with **AR400 main wedge**
- Magnum big bore splitting cylinder with tall push block
- Hydraulic wedge height adjustment with **4-way wedge included**
- **Ambidextrous** hydraulic log lift with **450# lift capacity**
- **Ambidextrous** removable **multi-position log cradle**
- Removable drawbar with 2" hitch coupler | Road towable - 45MPH
- **Standard color options: RED, ORANGE, GRAY, or BLUE**
 - Custom color shown in photo = OLIVE GREEN

All 28C / 35C machines have the sorting table powdercoated black

28C - 28 ton, 24" stroke, 6.5 second cycle time	\$10,750
35C - 35 ton, 24" stroke, 8.5 second cycle time	\$11,250
Custom powdercoat color*	\$250
Hydraulic oil cooler package*	\$750
6-way hydraulic wedge* 12-way hydraulic wedge	\$500 \$900
Sorting table extension*	\$300
LED light tower kit	\$300
Wedge holder	\$84.95

* = These options shown on machine in photo

Compact Commercial Log Splitter

with attached conveyor
28C-C | 35C-C

- 13 hp Honda GX390 with 12 volt electric start
- 22 GPM 2 stage Concentric double hydraulic pump
- Prince hydraulic valves with **auto-cycle included**
- 24 inch stroke | **Hydraulic oil cooler with 12 volt fan**
- **Attached 8' hydraulic powered conveyor w/ forward & reverse**
- In-house fabricated / welded beam with **AR400 main wedge**
- Magnum big bore splitting cylinder with tall push block
- Hydraulic wedge height adjustment with **4-way wedge included**
- **Ambidextrous hydraulic log lift with 450# lift capacity**
- **Ambidextrous removable multi-position log cradle**
- Removable drawbar assembly with 2" ball hitch coupler
- Local road towable - 45MPH max
- **Standard color options: RED, ORANGE, GRAY, or BLUE**

All C-C machines have the sorting table powdercoated black

28C-C - 28 ton, 24" stroke, 6.5 second cycle time	\$15,750
35C-C - 35 ton, 24" stroke, 8.5 second cycle time	\$16,250
Custom powdercoat color	\$250
6-way hydraulic wedge 12-way hydraulic wedge	\$500 \$900
LED light tower kit	\$300
Wedge holder	\$84.95

High Output Commercial Log Splitter

28 HO | 35 HO

- 13 hp Honda GX390 with 12 volt electric start
 - 22 GPM 2 stage Concentric hydraulic pump
 - Prince hydraulic valves with **auto-cycle included**
 - 24 inch stroke - **30" and 36" stroke optional**
 - In-house fabricated / welded beam with AR400 main wedge
 - Magnum big bore splitting cylinder with tall push block
 - Hydraulic wedge height adjustment with **4-way wedge included**
 - **Ambidextrous** log lift with **600# lift capacity & multi-position cradle**
 - Swing away drawbar with 2" ball hitch coupler
 - **Highway** road towable - 80MPH max
 - **Standard color options: RED, ORANGE, GRAY, or BLUE**
- *All HO machines have beam & sorting table powdercoated black***

28 HO - 28 ton, 24" stroke, 6.5 second cycle time	\$12,250
35 HO - 35 ton, 24" stroke, 8.5 second cycle time	\$12,750
Custom powdercoat color Aluminum wheel upgrade	\$250 \$250
Hydraulic oil cooler package	\$750
6-way hydraulic wedge 12-way hydraulic wedge	\$500 \$900
Sorting table extension	\$300
LED light tower kit LED taillights	\$300 \$200
Wedge holder	\$84.95

Super High Output & Heavy Duty Industrial Commercial Log Splitter

28 SHO - 35 SHO | 28 HDI - 35 HDI

- 20 hp Honda GX630 v-twin with 12 volt electric start
- 28 GPM 2 stage Concentric hydraulic pump | **Oil cooler included**
- Prince hydraulic valves with **auto-cycle included**
- 24 inch stroke - **30" and 36" stroke optional**
- In-house fabricated / welded beam with AR400 main wedge
- Magnum big bore splitting cylinder with tall push block
- Hydraulic wedge height with **4-way & 6-way wedges included**
- **Ambidextrous log lift with 600# lift capacity & multi-position cradle**
- **HDI - Skid mounted with SSQA and fork pockets *NOT TOWABLE**
- **SHO - Swing away drawbar with 2" ball hitch coupler**
 - **Highway road towable - 80MPH max**
- **Standard color options: RED, ORANGE, GRAY, or BLUE**
- ***All SHO machines have beam & sorting table powdercoated black***

28 SHO - 28 ton, 24" stroke, 5.5 second cycle time	\$15,250
35 SHO - 35 ton, 24" stroke, 7.5 second cycle time	\$15,750
HDI option: SSQA skid mounted 12-way hydraulic wedge	\$245 \$900
Honda iGX800 w/ 38GPM pump upgrade *35 ton only	\$3,750
Kubota D902 <u>diesel</u> w/ 38GPM pump *35 ton only	\$7,950
Custom powdercoat color Aluminum wheel upgrade	\$250 \$250
LED light tower kit LED taillights *SHO only	\$300 \$200
Sorting table extension Wedge holder *SHO only	\$300 \$84.95

Super High Output & Heavy Duty Industrial

Box Wedge Log Splitter

35 SHO-BW | 35 HDI-BW

- 20 hp Honda GX630 v-twin with 12 volt electric start
- 28 GPM 2 stage Concentric hydraulic pump| **Oil cooler included**
- Prince hydraulic valves with **auto-cycle included**
- 24 inch stroke - **30" stroke optional**
- In-house fabricated **extra heavy duty main beam**
- Magnum big bore splitting cylinder with **extra-wide** push block
- **3.5" x 3.5" box wedge & 2/4-way traditional wedges included**
- Hydraulic log lift with **600# lift capacity**
- **HDI - Skid mounted with SSQA and fork pockets *NOT TOWABLE**
- **SHO - Swing away drawbar with 2" ball hitch coupler**
 - **Highway** road towable - 80MPH max
- **Standard color options: RED, ORANGE, GRAY, or BLUE**

35 SHO-BW - 35 ton, 24" stroke, 7.5 second cycle time	\$17,250
HDI option - SSQA skid Custom powdercoat color	\$250 \$250
Honda iGX800 w/ 38GPM pump upgrade <u>*35 ton only</u>	\$3,750
Kubota D902 <u>diesel</u> w/ 38GPM pump <u>*35 ton only</u>	\$7,950
6-way bolt-on wedge 12-way bolt-on wedge	\$500 \$900
Additonal box wedge - 3x3, 4x4, or 4.5x4.5	\$900
LED light tower kit LED taillights <u>*SHO only</u>	\$300 \$200
Sorting table extension Wedge holder <u>*SHO only</u>	\$300 \$84.95

Extreme Duty Industrial Traditional & Box Wedge Log Splitter 42 XDI

NEW

- 25 hp Honda iGX800 v-twin engine with EFI
- 38 GPM custom built 2 section hydraulic pump
- Hydraulic oil cooler included
- Walvoil hydraulic valves with auto-cycle included
- 42 tons with 26 inch stroke and 8 second cycle time!
- In-house fabricated extra heavy duty main beam
- Magnum big bore splitting cylinder with oversized push block
- Processor style wedge lift - Traditional & Box Wedge system available
- Hydraulic log lift with 600# lift capacity
- XDI - Skid mounted with SSQA and fork pockets
- Standard color options: RED, ORANGE, GRAY, or BLUE
- Wedges sold separately, must pick at least one wedge at time of order

42 XDI - 42 ton, 24" stroke, 7.5 second cycle time	\$22,995
Kubota D902 <u>diesel</u> package upgrade	\$4,200

4-way traditional wedge	\$899
8-way traditional wedge	\$1,299
16-way traditional wedge	\$2,199
Box wedge package with pull-back arm	CALL
LED light tower kit	\$300
Sorting table extension	\$300

Commercial Vertical Log Splitter

17VS

- 13 hp Honda iGX390 with electric start and auto-choke
 - 22 GPM 2 stage hydraulic pump
 - 17 ton splitting force | **4.2 second cycle time**
 - **20 inch stroke standard** with 24 inch stroke optional
 - Foot pedal controlled splitting action with auto-return
 - In-house fabricated / welded beam | **AR400 main wedge**
 - Adjustable stroke length limiter
 - Hydraulic log lift with **400# lift capacity and 180 degree motion**
 - Swing away drawbar assembly with 2" ball hitch coupler
 - Highway road towable - 80MPH max | **LED taillights included**
 - **Standard color options: RED, ORANGE, GRAY, or BLUE**
- *All VS machines now have the splitter beam powdercoated black*

17VS - 17 ton, 20" stroke, 4.2 second cycle time

Commercial Vertical Log Splitter

with electric motor

17VS-E

- 10 hp 208-230 volt single phase electric motor
 - 50 foot long power cord | NEMA 14-50R 4 prong male plug
 - 28 GPM 2 stage hydraulic pump
 - Hydraulic oil cooler included
 - 17 ton splitting force | 3.4 second cycle time
 - 20 inch stroke standard with 24 inch stroke optional
 - Foot pedal controlled splitting action with auto-return
 - In-house fabricated / welded beam | AR400 main wedge
 - Adjustable stroke length limiter
 - Hydraulic log lift with 400# lift capacity and 180 degree motion
 - Swing away drawbar assembly with 2" ball hitch coupler
 - Highway road towable - 80MPH max | LED taillights included
 - Standard color options: RED, ORANGE, GRAY, or BLUE
- *All VS machines now have the splitter beam powdercoated black*

17VS - 17 ton, 20" stroke, 3.4 second cycle time	\$15,995
8' attached hydraulic conveyor package	\$3,800
24 inch stroke	\$700
Custom powdercoat color	\$250
Overhead LED flood lights	\$300

Commercial Vertical Log Splitter

with hydraulic conveyor

17VS-C

- 22 hp Honda iGX700 v-twin engine with EFI
 - 8 foot hydraulic powered outfeed conveyor package
 - Forward and reverse | 5 position - 60 degree conveyor swing
 - 27 GPM 2 stage double stack hydraulic pump
 - Hydraulic oil cooler included
 - 17 ton splitting force | 3.5 second cycle time
 - 20 inch stroke standard with 24 inch stroke optional
 - Foot pedal controlled splitting action with auto-return
 - In-house fabricated / welded beam | AR400 main wedge
 - Adjustable stroke length limiter
 - Hydraulic log lift with 400# lift capacity and 180 degree motion
 - Swing away drawbar assembly with 2" ball hitch coupler
 - Highway road towable - 80MPH max | LED taillights included
 - Standard color options: RED, ORANGE, GRAY, or BLUE
- *All VS machines now have the splitter beam powdercoated black*

17VS-C - 17 ton, 20" stroke, 3.5 second cycle time \$18,295
8' attached hydraulic conveyor package INCLUDED

Commercial Vertical Log Splitter

with Power Beyond

17VS-PB

- 22 hp Honda iGX700 v-twin engine with EFI
 - **Power beyond hydraulics package**
 - Includes valve and flat face quick connector
 - 27 GPM 2 stage double stack hydraulic pump
 - **Hydraulic oil cooler included**
 - 17 ton splitting force | **3.5 second cycle time**
 - **20 inch stroke standard** with 24 inch stroke optional
 - Foot pedal controlled splitting action with auto-return
 - In-house fabricated / welded beam | **AR400 main wedge**
 - Adjustable stroke length limiter
 - Hydraulic log lift with **400# lift capacity and 180 degree motion**
 - Swing away drawbar assembly with 2" ball hitch coupler
 - Highway road towable - 80MPH max | **LED taillights included**
 - **Standard color options: RED, ORANGE, GRAY, or BLUE**

Versa Split Log Splitter

1724 | 2224 | 2824 | 3030

- SSQA plate for universal skid steer attachment
- Available in offset left or right - Left shown in photo
- 8" in-house welded fabricated reinforced H beam design
- 12" AR400 main wedge
- Removable bolt-on 4-way wedge included
- 1" thick push block with grade 8 hardware & bronze slides
- Hydraulic hoses with swivel fittings
- Flat face hydraulic couplers included
- Recommended 12-15 GPM and 2,500 PSI minimum
- 3,500 PSI max
- Magnum package included on 2824 and 3030 only
 - Tall push block | Larger diameter hoses
 - Big bore cylinder for faster cycle times
- Standard color options: RED, ORANGE, GRAY, or BLUE

Versa Split 1724 - 17 tons - 24" stroke length	\$3,395
Versa Split 2224 - 22 tons - 24" stroke length	\$3,395
Versa Split 2824 <i>Magnum</i> - 28 tons - 24" stroke length	\$3,995
Versa Split 3030 <i>Magnum</i> - 30 tons - 30" stroke length	\$4,295
Custom powdercoat color	\$250
6-way bolt on wedge	\$500
12-way bolt on wedge (for Mag package units only)	\$900

Skid Steer Log Splitter

SS2824HD | SS3030HD | SS3036HD

- SSQA plate for universal skid steer attachment
- 8" in-house welded fabricated reinforced H beam design
- 12" AR400 main wedge
- Removable bolt-on 4-way wedge included
- 1" thick push block with grade 8 hardware & bronze slides
- Magnum package NOW STANDARD
 - Tall push block
 - Big bore cylinder for faster cycle times
 - Larger diameter hoses
- Hydraulic hoses with swivel fittings
- Flat face hydraulic couplers included
 - Recommended 12-15 GPM and 2,500 PSI minimum
- 3,500 PSI max
- Standard color options: RED, ORANGE, GRAY, or BLUE

SS2824HD <i>Magnum</i> - 28 tons - 24" stroke length 650LB	\$3,995
SS3030HD <i>Magnum</i> - 30 tons - 30" stroke length 725LB	\$4,295

Firewood Conveyor

FC-16 | FC-24 | FC-32 | FC-40

- 5.5 hp Honda GX200 with recoil pull start
- Self-contained hydraulic system with oil filter
- Hydraulic height adjustment
- **Hydraulic top-pull chain drive with forward & reverse**
- **81X chain with heavy-duty conveyor paddles**
- Speed control for conveyor chain
- **Wheels rotate** approx 90 degree for slew / angle adjustment
- **Grizzly bars and chipchute included**
 - **NOTE: Max height measured with grizzly bars removed**
- Removable drawbar assembly with 2" ball hitch coupler
- **Standard color options: RED, ORANGE, GRAY, or BLUE**

FC-16 Conveyor - 16' length - 8' max exit height	\$9,795
FC-24 Conveyor - 24' length - 12' max exit height	\$11,495
FC-32 Conveyor - 32' length - 15' max exit height	\$14,295
FC-40 Conveyor - 40' length - 19' max exit height	\$16,495

Custom powdercoat color Aluminum wheels	\$250 \$200
HS option - Removes engine / pump / hyd oil tank	SUBTRACT \$900

Firewood Cleaner

DC10-C Disc Cleaner with Conveyor

- Powered by external hydraulics - 8GPM recommended
- Includes conveyor with manual winch height adjustment
- Hydraulic slew angle adjustment for conveyor
- **Independent adjustable speed control of disc tines and conveyor**
- **Forward / Off / Momentary reverse for disc tines and conveyor**
- **Huge 36 inch wide X 120 inch long bed**
- **Adjustable hopper angle** for maximum cleaning action
- **Wheels and pintle hitch eye included for moving in the yard**
- Pallet fork pockets
- Adjustable leg height
- **Configurable hopper panels - ask when ordering!**
- Manual hydraulic controls OR electronic remote
- **Only made in one color configuration: BLACK AND GUNMETAL**

DC-10C Disc cleaner with included outfeed conveyor	\$24,995
Electronic remote control package	\$5,995
^ <u>MUST BE ORDERED AT TIME OF BUILD</u>	
Add Wolfe-Pack hydraulic power pack	\$3,995
